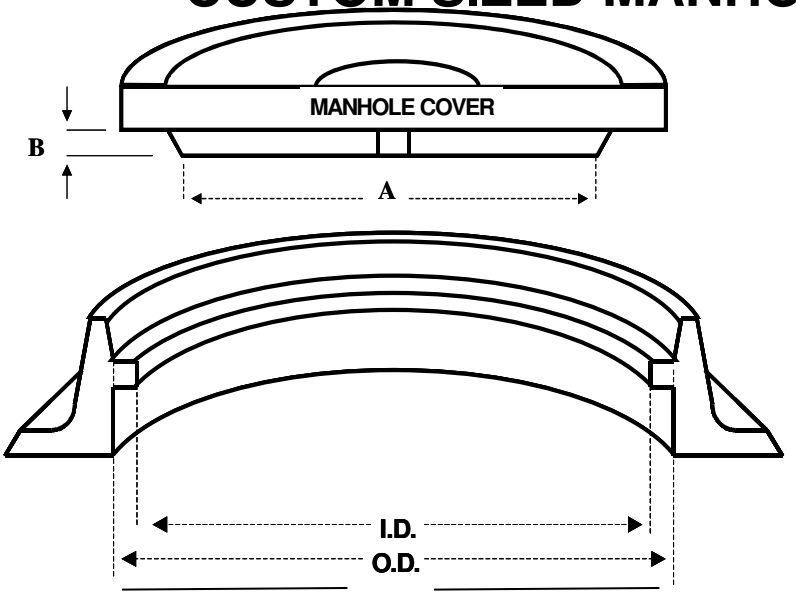
Sealing Systems, Inc.

CUSTOM SIZED MANHOLE INSERT ORDER FORM



IMPORTANT

SSI Manhole Inserts are custom manufactured to accommodate a wide variety of manhole cover / frame dimensions. However, the design features of the insert may not be compatible for use with all manhole covers. Please contact Sealing Systems, Inc. directly should you have any questions regarding a particular manhole cover style or dimension.

Manhole Cover Examples

IMPORTANT NOTICE REGARDING CUSTOM SIZING INFORMATION

Sealing Systems, Inc. is unable to process any order without the above referenced manhole cover sizing and style information. Further, due to the fact that each insert is custom manufactured per specific measurements provided by the customer, all orders are ***NON REFUNDABLE*** for any reason other than factory error or defect. Please contact Sealing Systems, Inc. directly should you have any questions prior to submittal of your order.
